

8th Grade Career Day 2011

On Thursday, November 3, 2011, from 9:00 a.m. to 12:00 noon, the Tehama County Education Foundation and the Tehama County Department of Education will be hosting the Annual Career Day for our Tehama County 8th grade students.

The Tehama District Fairgrounds has been reserved for displays and booths from vocational schools, military representatives, colleges, industries, and local businesses. The goal is to present a sampling of career options whereby students have an opportunity to experience and explore a variety of interactive and informational presentations in six Career Pathways. Career Pathways is a sequence of academic/vocational courses that all students experience at the high school level. Career Day 2011 will provide our Tehama County 8th graders a head start!

We are extending an invitation to your organization to participate in this event. Please complete the form below and return it to the Tehama County Department of Education by September 30, 2011.

Thank you for joining in our efforts to support our students in Tehama County. If you have not attended Career Day in the past you are going to be very impressed with the huge community effort that is put into the continued success of this event.

**See you at the Tehama District Fairgrounds on
Thursday, November 3!!**

Please e-mail, fax, or mail your reply by September 30 to:
